Can you help Ex. 6 Personal Privacy (PP) with the "hair on fire" list? (in case he is still working Peopleplus timecard approvals).

Lastly, for the Thursday meeting with Lynn D, is there any we would recommend to add to the agenda (beyond what she requested)? For example, do we want to update her on electronic signature process for determinations, CO, etc? I plan to ask Ex. 6 Personal Privacy (PP) at the 3:30pm meeting items she wants to add the Thursday agenda (if any), and have some suggestions for her to pick from for CCD.

I agree with Ex. 6 Personal Privacy (PP). However, I do not think that anyone had drafted any "listserve/webpage language" yet.

I will compile a list of any HOF cases early this afternoon. I need to start doing PeoplePlus reviews/approvals first because I am starting to get kicked off the internet every once in a while and I neere I lose aces.

I think Ex. 6 Personal Privacy (PP) and I can cover the CDX communication (IMD is training us at 3:00 today).

Thanks, [REDACTED]. I think you're right that IMD participation may not be critical for today. However, I'll defer to [REDACTED] Ex. 6 Personal Privacy (PP) if we need IMD feedback on Lynn D's agenda item on the final CDX communication plan.

All---if today's meeting happens at 3:30 instead of 4:00pm, we will not be able to participate. Based on what I see below, this doesn't seem to be an issue for today. If there's something anyone wants from us in advance, please just say the word.

Thank you.
